

Sony Ericsson Xperia Pro MK16A Battery Replacement

This guide will show you how to replace the battery in your Sony Ericsson Xperia Pro

Written By: John Emery

INTRODUCTION

This guide will help you replace your dead battery in just a couple of minutes.

TOOLS:

- [iFixit Opening Tools](#) (1)
-

Step 1 — Taking the Back Off

- Use a plastic opening tool to get the back cover off your phone.
- ✦ The plastic opener will work on any side, but be careful and pry gently.

Step 2 — Removing the Battery

- Locate the battery in your phone.
- Find the divot below the battery.
- Use your thumb to lift the battery out of the phone.

To reassemble your device, follow these instructions in reverse order.
